キミにきめた！

第8話（だいわ）

Makoto and Soji both act so arrogant towards me!
What's WITH those two?!
Pika! Pika!

Do YOU think I was in the wrong, too?

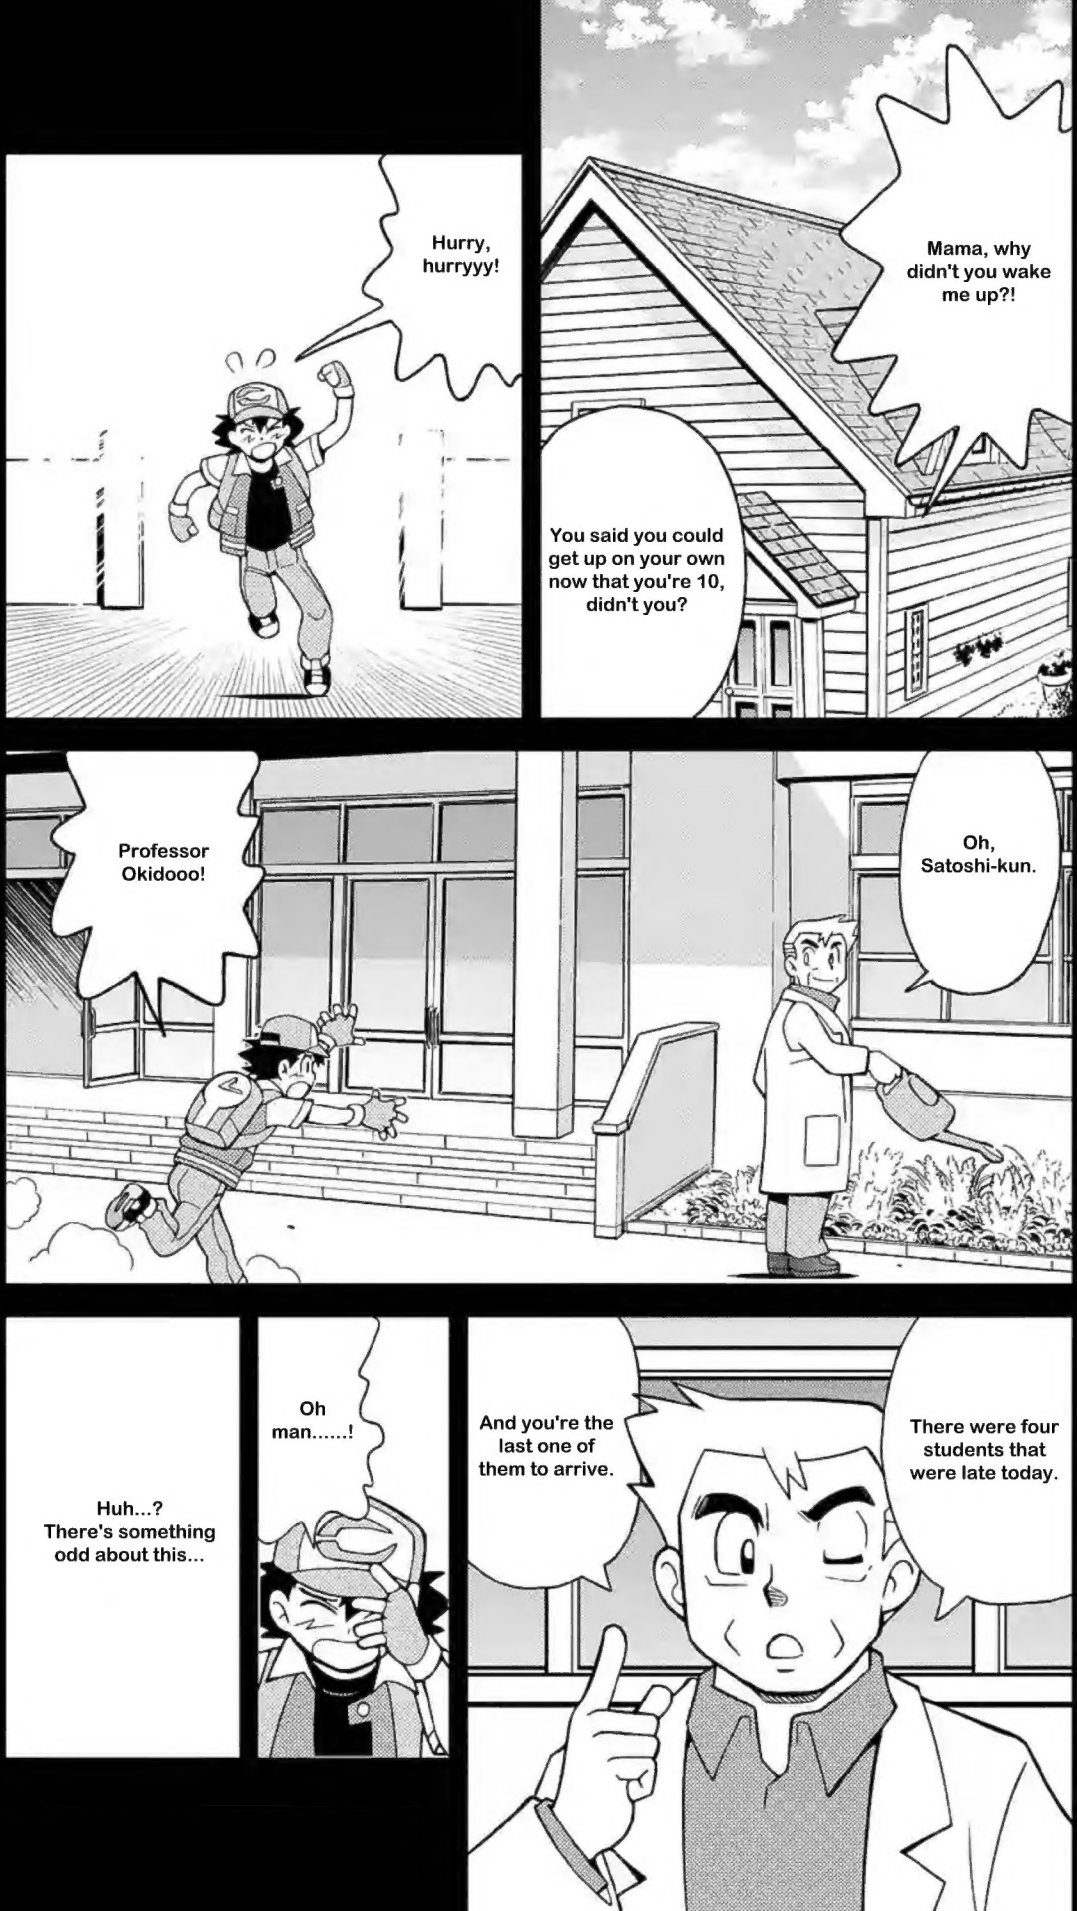
You'll be late for school!
How long are you going to sleep?!



Hurry, hurryyy!
Mama, why didn't you wake me up?!
You said you could get up on your own now that you're 10, didn't you?
Professor Okidooo!
Oh, Satoshi-kun.
Huh...? There's something odd about this...
Oh man.....!
And you're the last one of them to arrive.
There were four students that were late today.

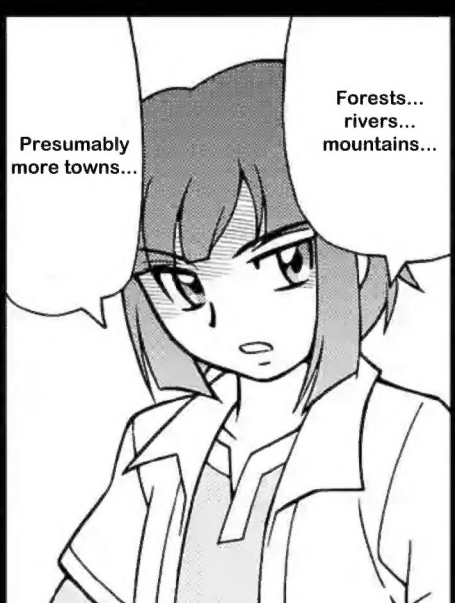
Satoshi, you're late.
I ended up oversleeping a bit...
Did you do your homework?

Sigh...

ゴオオオオ

There's something missing here.

Something I hold very dear...



Wandering freely around, not worrying about what time it is...
You want to travel, huh...? That actually sounds fun.
I want to see what's there.
But we won't know unless we go take a look.
...in places you know nothing about...
Encountering all sorts of things you've never seen before...
What guy.....?
"This guy".....?
I can go absolutely anywhere!
Yeah...! As long as I got this guy by my side,

Do you intend to win every single one of your battles?

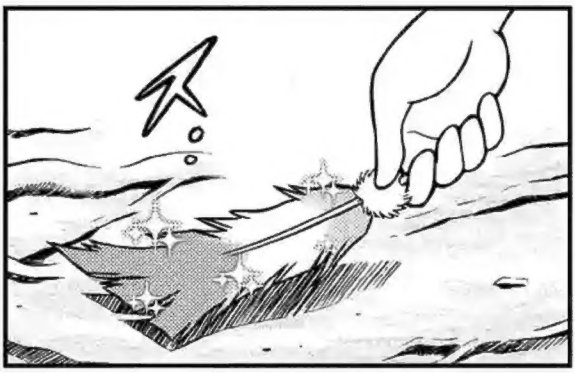
Uh...
I-I'm sorry...

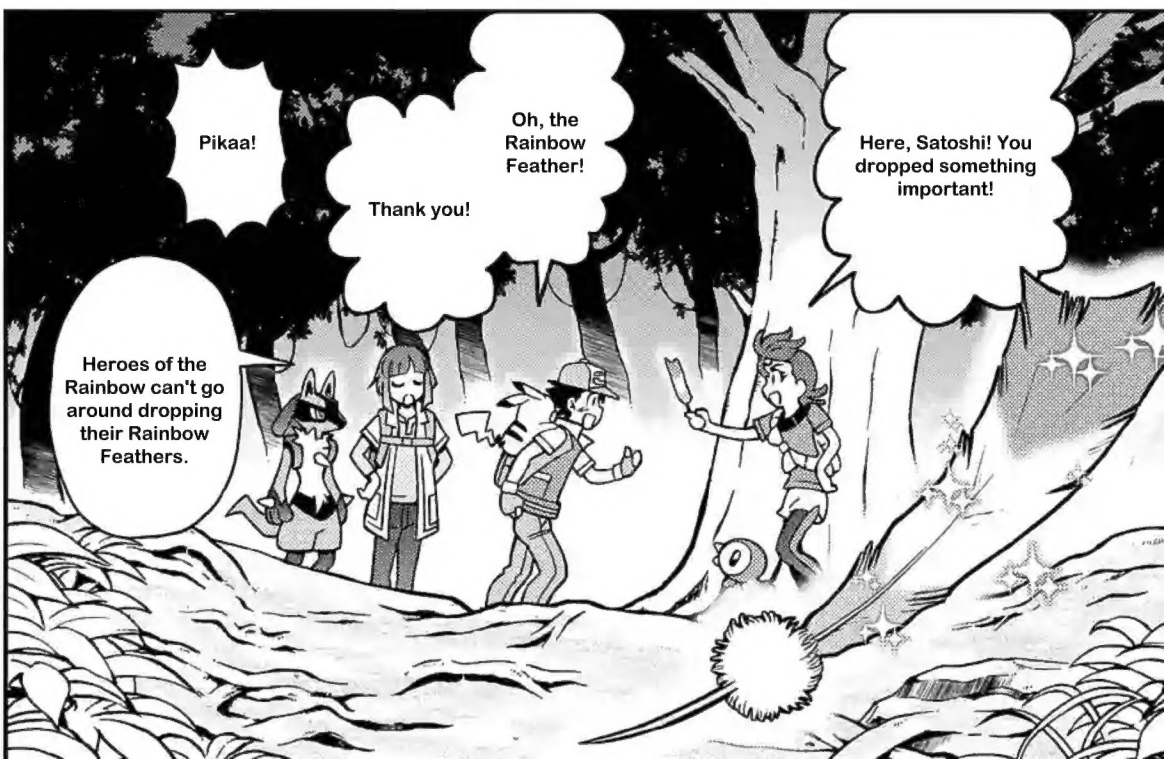
It's precisely when a Trainer LOSES that he's put to the test.

Soji!
That's my conviction, at least.

Lizardo, I'm sorry.

You're absolutely correct.
Yeah.





Pikaa!
Oh, the Rainbow Feather!
Thank you!
Here, Satoshi! You dropped something important!
Heroes of the Rainbow can't go around dropping their Rainbow Feathers.
